**Boltza® O-Clips, 2-Ear Hose Clamps:** 2 - Ear Clamps are multipurpose clamps for maintenance, repair and service. With this type of clamp, rubber hoses, plastic tubing, electrical cables, air hoses and other materials can securely fasten. Experience the exceptional quality and performance of TR Double Ear Hose Clips. Crafted from mild steel and coated with zinc for anti-corrosion properties, these O-Clips are the ultimate solution for securing various types of hoses. Strong clamping force and pressure resistance ensure good sealing performance and durability, even under high-pressure conditions. The smooth surface finish is free from burrs and scratches, making the clips safe and easy to handle.

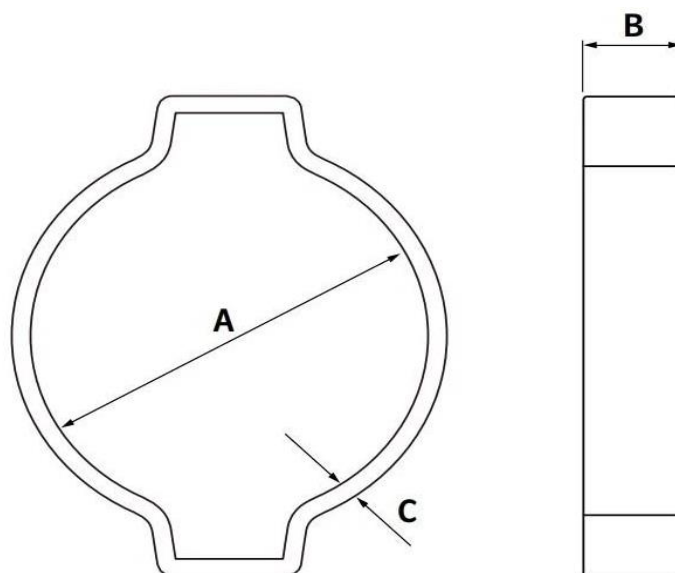

**Product Specification:**

- Material: W1 ZinC Plated
- Fastening Type: Special Tool (Pincers)
- Excellent Clamping Force
- Clamps are RoHS compliant

**HS Tariff Code: 73269092**
